

The purpose and mission of the South Metro Greens is to advance the Green Movement and Green Party in south metropolitan area of Chicago.

Our geographic area is specifically Cook County south and southwest of the historic Hyde Park local. This limited to Cook County south of 71st Street in Chicago and south of a line extending west from 71st street to the Western border of Cook County including no portion of Will or Dupage counties.

Politically this area includes all or a portion of Ill Senate Districts 11, and 13-18. Or stated differently this area includes all or portions of Chicago Wards # 5,7,8, 9,10, 13, 17, 18, 19, 21, and 34; as well as all or portions of Bloom, Bremen, Calumet, Rich, Thornton, Lemont, Orland, Palos, Stickney and Worth townships in Cook County.

Our bylaws were adopted at our formative meeting, June 22, 1997.

The South Metro Greens:

- a. Set and publish meeting dates
- b. Members present make the decisions with Green process.
- c. Our meetings are open to the public.
